

WARNING: ONLY FOR COOL PETS

Key Sales Info!

- Pet Head is the fastest selling product COA have ever launched
- Each product is uniquely fragranced. So encourage your customers to smell wherever possible

What Is Pet Head?

Pet Head is a premium range of luxurious shampoos, conditioners and sprays for dogs.

Pet Head is manufactured in the USA. The Human quality formula is PH balanced for dogs.

What Makes Pet Head Different?

All Pet Head formulas are pH adjusted and free of parabens, petroleum derivatives, sulphate and DEA and will not harm your dog if licked or swallowed

Pet Head smells unique and amazing, this is one of the key features that differentiates Pet Head from other brands

Why Use Sprays Or Wipes?

- Brilliant for winter use – don't have to get your dog cold and wet
- Great for saving time and a quick freshen up – before visiting guests or receiving them
- Perfect for last minute preparations before the show ring
- Great for wiping / cleaning dirty paws or after an unpleasant roll!!!! Poof! even banishes fox smell!!
- Great for use in boarding kennels and catteries, so pets go home smelling sweet
