

INSTRUCTIONS FOR MOUNTING THE BICYCLE BASKET ONTO THE LUGGAGE RACK

To begin with, please ensure that the following items are already placed in the correct position on the base of the luggage rack bracket:

- 2 x plastic-coated steel washers
 - 4 x wing-nuts
 - 4 x tooth lock washers
-

Instructions for mounting the basket on the bicycle luggage rack:

1. Securely attach the basket together with the basket base onto the mounted, black supporting bracket far from the saddle on the middle of the luggage rack.
 2. Pin the two steel washers beneath the luggage rack using the four thread screws. The sides coated in plastic should be pointing up towards the bottom of the luggage rack.
 3. Then place the four wing-nuts with the four tooth lock washers from below onto the screws and tighten.
-

IMPORTANT SAFETY WARNING

Please make sure the four wing-nuts are regularly spaced and retighten them if necessary.
